

Legends of Kalidasia – Heragul AA Frigate

Follow these instructions to create a Heragul AA Frigate miniature instead of a Frigate Prime

Each AA Frigate has a pewter hull, a pewter weapon sprue and a 3D printed weapon sprue. The components are shown below. Colors have been added digitally to assist in assembly.

Assemble the pieces as shown. The Javelin Missile Launchers are not used for this miniature:

Your AA Frigate can now be painted and mounted on its flight stand(See the normal instructions for this step).
